

December 3, 2021

Dear Valued Customer:

Style Crest will be implementing price increases across our various product offerings effective January 3, 2022. The cost and demand for raw materials have continued to significantly increase over the past twelve months. These cost increases have escalated beyond our best estimates and we also anticipate continued strong demand for building materials for the remainder of the year.

As a result, we will be implementing price changes on the following product categories effective with all orders placed after close of business on 12/29/21.

- 5% Trim Coil
- 6% Vinyl Siding & Accessories
- 14% Crestwater® Siding
- 15% Mounts, Blocks & Vents
- 15% Shutters

We want to make sure we provide sufficient notice so you can plan accordingly. Orders placed and shipped by Wednesday, December 29, 2021, will be invoiced at the current pricing. Orders placed and shipped on or after January 3, 2022, will be invoiced at the new pricing.

Please forward this communication to all of your other branch locations/employees as needed. We, sincerely, thank you for your ongoing support and you can be assured we will continue to provide high-quality products at a competitive price and service to meet your needs.

Thank you for your continued partnership.

Sincerely,

-
